

Finance Director—Myanmar

Anthem Asia, an independent investment and advisory group building sustainable businesses in Myanmar, is seeking a Finance Director to be based in Yangon. This is a key position requiring someone with energy, commitment and a willingness to handle the professional and personal challenges of being part of a small team in a “frontier market”.

Qualifications

- Degree in Accountancy from a recognised university
- An ACCA/CIMA/CPA qualification
- At least ten years of relevant post-qualification working experience of which five years as Finance Director, Financial Controller or Senior Finance Manager
- Familiarity with accounting software
- Familiarity with Myanmar accounting, payroll and tax laws
- Relevant overseas experience will be essential
- Excellent Myanmar and English language skills
- Strong communication and interpersonal skills, especially as we operate in a team environment
- Ability to work independently, to multi-task and meet deadlines
- A team-oriented approach and an ability to interact productively within a diverse small company environment

Job description

- Ensure timely delivery and accuracy of management accounts
- Consolidate quarterly group accounts, manage overall consolidation of subsidiary accounts
- Assist in preparing and coordinating group annual budget
- Support corporate governance and tax activities
- Supervise team of accountants
- Recruit and train Finance and Administration staff
- Assist, where necessary, with the setting up and oversight of bookkeeping functions of Anthem Asia's investee companies
- Ensure Anthem Asia is in compliance with local laws and regulations
- Liaise with local and overseas company secretaries on corporate secretarial matters
- Liaise with auditors in Myanmar and Singapore on audit schedules and completion of audits
- Liaise with tax departments on submission of corporate income tax, commercial tax and payroll tax

We offer:

- Competitive remuneration—but not a fancy “expat package.”
